

Based on international advanced design concept, upgrade the structure, adapt to the needs of various users.

Adopt international advanced production facilities—laser cutting machines, automatic welding

robots, CNC facilities etc, to achieve top standard tooling operations.

Combine chemical treatment process and electrostatic spraying process, ensure perfect appearance.

Main tube thickness: 3mm, combine oval tube thickness: 50*100mm

Exercise abdomen with multi functions, lying on the seat, legs on the pad exercising knees and upper body.

Exercise abdomen and prevent and take care spinal joint problems, improve postures.

Specifications

DIM: (L)1740*(W)620*(H)1300mm

N. W. : 49KG
